

BOARD AND STAFF GIVING POLICY

A. Purpose

To demonstrate our commitment to our mission and to reach our fund-raising goal, Board members and staff agree that they must first make a gift themselves. This policy is intended to ensure that every board member and staff member supports Habitat for Humanity of Georgia, Inc. with an annual donation. It is our goal to have 100% participation among all HFHGA Board members and staff, although it is not the policy of HFHGA to *force* any of its Board or staff members to make a financial pledge. We simply encourage this as a means of showing a willingness to support HFHGA in all respects.

B. Expectation

All Board members and staff are respectfully requested to honor a pledge of whatever they consider to be a “sacrificial amount”. This amount may be as small or as large as the Board or staff member is willing to make. It is expected the gift will be given in good faith and with a willing heart. All pledges will be kept confidential.

[Please tear along this line]

I, _____, in order to show my support for Habitat for Humanity of Georgia, Inc. and its mission of supporting Habitat affiliates across the state of Georgia, do pledge to make an annual financial contribution of _____ dollars, to be paid at my discretion and convenience.
